PRIME

Mind devouring aliens,
menacing shadow-filled corridors
and the suffocating silence of deep space!

**Tighten your spacesuit and charge your blaster cannon because you're about to embark on a cosmic adventure so vast, it can only mean one thing:
SAMUS ARAN IS BACK!**

Explore each sprawling area to find familiar Metroid series weapons such as the Wave Beam and Freeze Beam, as well as several all-new devices!

Take advantage of Samus Aran's powerful new environmental suits that enables her to gain new abilities and re-visit areas that were previously inaccessible.

Explore a mysterious, derelict starship and the vast worlds of Tallon IV in an all-new, first-person perspective!

Increase your expertise in combat, scanning, and visor use -- all critical elements to your survival and ultimate success.
